

Beginning July 1, 2022, most group health plans and issuers of group or individual health insurance will begin posting pricing information for covered items and services. This pricing information can be used by third parties, such as researchers and app developers to help consumers better understand the costs associated with their health care.

The Loomis Company has partnered with HealthCare Bluebook to assist Peterson Companies with complying with the requirement under the Transparency in Coverage Rules to make Machine-Readable Files publicly available and has established the following landing page <https://mrf.healthcarebluebook.com/Loomis>
